Day 2 Perth - Swan Valley

After breakfast, we depart to Kings Park. It is located at the Elizabeth mountain, giving you a Birdseye view of Perth's city skyline and swan river containing a state war memorial built in the year of 1929. Next, travel 3200 km away to the Western North Kimberley Region. It has a 750-year-old Australian Boab Tree. After the tour, continue our journey to Western Australia's oldest wine region - the Swan Valley. Visit the Margaret River Chocolate Factory which presents a variety of chocolate models and chocolate flavours whilst offering three flavours of free delicious chocolate tasting. Our next stop will be the Nougat Factory. With some pure milk flavour combined with some almond nuts giving you a unique taste with a soft but not sticky texture.

Following the visit to nougat factory, we will visit the House of Honey, which offers free tastes of the natural honey which is rich in flavour with fragrance of the flower and is just sweet enough for your liking. Some homemade mead and honey ice cream can also be bought as souvenirs. We then continue our journey to the Sandalford Estate, a winery with elegance which offers wine testing with a great scenery of grape farms and we will have our winery two course meal here. After lunch, we will go to the Caversham Wildlife Park where you will meet plenty of Western Australia animals, some unique animal show (i.e. sheep shearing show) and be able to touch, feed and take lots of photos with animals like Kangaroos and Koalas.

Meals : Hotel buffet breakfast, Winery two course meal, Dragon Palace Accommodation : Crown Towers Perth

Day 3 Perth

After breakfast, travel down to the south of Perth docks, aboard the yacht 'Sunseeker', visit the swan river and the beautiful scenery of Perth and of course experience fishing on the yacht. Free and easy in the afternoon.

Meals : Hotel buffet breakfast / Special fish potato meal /Australian BBQ

Day 4 Perth to Pinnacles - Lobster Shank - Lancelin

Depart from Perth to Nambung National Park, thousands of huge limestone pillars rose from the shifting yellow sands of the Pinnacles Desert, resembling a landscape from a science fiction movie, you will certainly be amazed by the beautiful sceneries. They're scattered across the desert in their thousands, creating an eerie, alien-like landscape. Some finish in a jagged point, while others have rounded domes, resembling tombstones. Made up of shells, the Pinnacles date back millions of years to an epoch when the sand was beneath the sea. Back then, a Dutch explorer see this piece of limestone pillar desert landscape from the ship and thought that he has found an ancient city ruins. In fact, these spire rock landscapes are a natural phenomenon of geological change. Later, travel to Lobster Shack near Cervantes Beach and meet some world known Western Australia's lobster. Have a tour through the small house and find out how the lobsters are caught, processed, packaged and sent to all around the world. You can also see lots of lobster fishing ship at the Cervantes Beach. See the magnificent Indian Ocean from across the Lancelin beach. Tourists fall fast for Lancelin's crisp white dunes, clean beaches and relaxed seaside lifestyle. The most exciting and adventurous activity in these white dunes will be sand boarding. Sliding down the dunes that may go up to three storeys is not an easy task and will require courage and skills!
